Dear Glen Burnie Post No 40:

On behalf of the USO of Metropolitan Washington, I would like to extend our sincere appreciation to you for your very generous donation of \$1000.00 to support the USO International Gateway Lounge at BWI Airport. The contribution will fund programs which support our men and women in uniform as they transit BWI Airport.

The Lounge is open up to 24 hours daily and hosts up to 10,000 service members each month as they transit BWI Airport. Complimentary amenities include baggage storage, data ports, and computers with Internet access, photocopying, faxing, snack bar, movies, restrooms, sleeping room with wake up calls, and a family room outfitted with cribs.

With the support of organizations like yours, USO-Metro is able to offer human services programs to the military communities from Fort Lee, Virginia to Aberdeen Proving Ground, Maryland. The mission of USO-Metro is to "*serve those who serve...and their families,*" and we thank you for helping to make our work possible. More than ever, the continued support of your organization is very important to the USO.

Serving those who serve,

Shauna Van Buren
Director of Airport Services and Special Projects
